

Vancouver, BC: BLANKSLATE Partners has been named a finalist in the category of External HR Advisor/Consultancy of the Year and HR Rising Star of the Year for the 7th Annual Canadian HR Awards.

“We are excited about the recognition that we have received for our young company. BSP’s core value is partnership and I truly believe that it is thanks to our amazing (both past and present) team, fantastic clients, as well as friends and family that have supported our dreams, that we are celebrating this today.” states Isabella Egan, Founder and CEO of BLANKSLATE Partners.

The Canadian HR Awards are a celebration of excellency in the HR industry, with a gala event taking place in Toronto on September 14. HR leaders from across the country will share in the glamorous evening at the Liberty Grand ballroom, recognizing the successes of Canada’s highest achievements across the human resources field. Finalists for the 19 award categories – which recognize leadership, recruitment, culture and many others – were announced at the end of July. The winners will be selected by a panel of industry experts.
